

Dear sir or madam

Thank you very much for supporting my mother. I have seen a different since you started supporting my family. We eat very well, also through in my hospitality I have a problem of my teeth. They were too painful my mother took me to the dentist, the two premolar were removed out it was still paining this time I'm not using the dives because the four premolar tooth they were holding the dives. I have to wait for the dentist to check again.

Lastly please keep on helping me I can tell my difference know. Even my speech is coming on. Thanks you again from Lynn Haveré.
